1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1     **SECTION 1. CHIP ALLOCATION REDISTRIBUTION SPECIAL**  
2                 **RULE FOR CERTAIN SHORTFALL STATES**  
3                 **DURING FIRST QUARTER OF FISCAL YEAR**  
4                 **2018.**

5     Section 2104(f)(2) of the Social Security Act (42  
6 U.S.C. 1397dd(f)(2)) is amended—

7                 (1) by amending subparagraph (B) to read as  
8 follows:

11                 ABLE.—

12                 “(i) PRORATION RULE.—Subject to  
13                 clause (ii), if the amounts available for re-  
14                 distribution under paragraph (1) for a fis-  
15                 cal year are less than the total amounts of  
16                 the estimated shortfalls determined for the  
17                 year under subparagraph (A), the amount  
18                 to be redistributed under such paragraph  
19                 for each shortfall State shall be reduced  
20                 proportionally.

21                 “(ii) SPECIAL RULE FOR FIRST QUAR-  
22                 TER OF FISCAL YEAR 2018.—

23                 “(I) IN GENERAL.—For the pe-  
24                 riod beginning on October 1, 2017,  
25                 and ending December 31, 2017, with  
26                 respect to any amounts available for

1 redistribution under paragraph (1) for  
2 fiscal year 2018, the Secretary shall  
3 redistribute under such paragraph  
4 such amounts to each emergency  
5 shortfall State (as defined in sub-  
6 clause (II)) in such amount as is  
7 equal to the amount of the shortfall  
8 described in subclause (II) for such  
9 State and period (as may be adjusted  
10 under subparagraph (C)) before the  
11 Secretary may redistribute such  
12 amounts to any shortfall State that is  
13 not an emergency shortfall State. In  
14 the case of any amounts redistributed  
15 under this subclause to a State that is

24 and ending December 31, 2017, a  
25 shortfall State for which the Secretary

1                   estimates, in accordance with sub-  
2                   paragraph (A) (unless otherwise speci-

7                   under section 2105(g)(4)(A) to ‘2017’  
8                   were a reference to ‘2018’ and insofar  
9                   as the allotments are available to the  
10                  State under this subsection or sub-  
11                  section (e) or (m)) for such period will  
12                  exceed the sum of the amounts de-  
13                  scribed in clauses (i) through (iii) of  
14                  subparagraph (A) for such period, in-  
15                  cluding after application of any  
16                  amount redistributed under paragraph  
17                  (1) before such date of enactment to  
18                  such State. A shortfall State may be  
19                  an emergency shortfall State under  
20                  the previous sentence without regard  
21                  to whether any amounts were redis-  
22                  tributed before such date of enact-  
23                  ment to such State under paragraph  
24                  (1) for fiscal year 2018.

1                         “(III) APPLICATION OF QUALI-

6                         2105(g)(2)) as if under section  
7                         2105(g)(4)—

8                         “(aa) the reference to ‘2017’  
9                         were a reference to ‘2018’; and

10                         “(bb) the reference to ‘under  
11                         subsections (e) and (m) of such  
12                         section’ were a reference to  
13                         ‘under subsections (e), (f), and  
14                         (m) of such section.’”; and

16                         paragraph:

17                         “(D) RULE OF CONSTRUCTION.—Nothing  
18                         in this paragraph may be construed as pre-  
19                         venting a commonwealth or territory described  
20                         in subsection (c)(3) from being treated as a  
21                         shortfall State or an emergency shortfall  
22                         State.”.
